SENDING WITH DHL IS EASY

When preparing an item, we have the perfect offer for your individual requirements.

The **Post & DHL business customer portal** is a particularly straight forward solution. With this service, you can control all aspects of your DHL dispatch simply by logging on to our website. Among the things you can do with this central online access are:

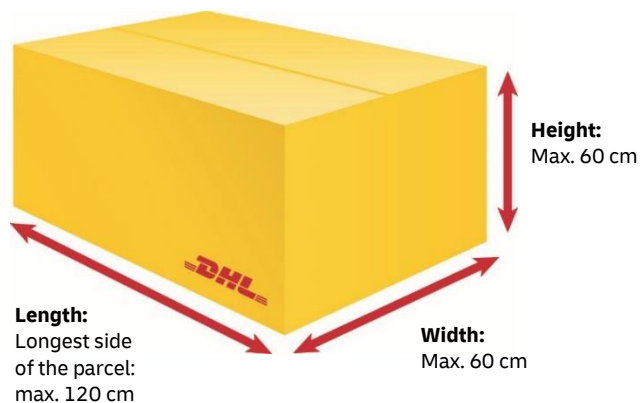

- online preparation for dispatch and generation of EDI data
- make an order for the parcel
- to be collected from you
- use the tracking service
- view your invoices
- order dispatch supplies
- retrieve product information

DHL IS ALWAYS HERE FOR YOU WITH NUMEROUS, ATTRACTIVE AND FLEXIBLE SERVICES

Our most important services for you at a glance:

- Shipment **tracking** is available 24/7
- With **GoGreen**, you can send your goods in a CO₂-neutral way (through investments in climate protection projects)
- If the first two free delivery attempts have been unsuccessful, then a **third attempt to deliver** may be agreed if desired
- If undeliverable, the parcel can be **returned if you wish**
- If a parcel is undeliverable, it can be **delivered to a different address**
- With the **bulky goods service** you can send parcels that exceed maximum dimensions or which have special external characteristics
- **Customs clearance and formalities** (two types of shipping conditions) for non-EU countries is handled for you
- Additional **transport insurance** is possible for goods valued between EUR 2,500 and EUR 25,000
- A **standard invoice** is provided through posting with EDI

With **DHL Retoure International**, you can give your customers a simple way of handling returns and flexible posting of the returns in all branches of our cooperation partners abroad.
