

Annex 1 (Remuneration) with validity from 01.01.2025

The following products, services and additional fees are specified in more detail in the service specification DHL Paket to be found at Post & DHL Business Customer Portal (section "Help & Information", chapter "Regulations & Contract documents"). In exceptional cases, in so far as the sender does not use the Business Customer Portal, they are described in the annex. All prices listed exclude the statutory value added tax.

MASTER

*** Additional price components to the services / additional fees Declaration**

The asterisk notes are product-dependent and relevant only in case a corresponding asterisk reference is included on the respective product page

National

Additional insurance up to EUR 2,500	Insurance of the value of goods against damage to goods (loss or damage) beyond the existing liability limit of 500 euro; Value added tax free according to § 4 UStG
Additional insurance up to EUR 25,000	Insurance of the value of goods against damage to goods (loss or damage) beyond the existing liability limit of 500 euro; Value added tax free according to § 4 UStG
Retail outlet routing	This service fee will be charged only if the shipment is stored at the retail outlet due to non-delivery. In case of a non-collection at the retail outlet the shipment is returned to sender and the return fee will be charged.
Parcel recall	In case of a return to sender a return fee will be charged.
Routing Code	Coding fee, if routing code is not available, incorrect or illegible.
Lorry Toll an CO ₂ surcharge	Separately from the parcel price for the applicable products a surcharge will be charged due to state levies with direct relation to our transport service. This concerns in particular the fee for the use of federal highways with heavy commercial vehicles in Germany (LKW Mautzuschlag) and the additional costs resulting from the federal government's CO ₂ pricing.
Energy surcharge	Percentage surcharge additional to the parcel price according to current energy price development. For all information concerning amount, calculation and effect of the surcharge, please visit dhl.de/energiezuschlag .
Peak surcharge	Surcharge additional to the parcel price, valid in the months of November and December, to ensure necessary investments in DHL's infrastructure.

International

Cash on Delivery	Depending on country of destination, usually Europe. As a rule, payment of a return charge for the return transportation of the COD amount (depending on destination country) by the recipient
Additional collection charge	Without detail of IBAN (International Bank Account Number) and BIC (Bank Identifier Code) plus 5,00 EUR
Additional insurance up to EUR 2,500	Insurance of the value of goods against damage to goods (loss or damage) beyond the existing insurance limit of 500 euro; Value added tax free according to § 4 UStG
Additional insurance up to EUR 25,000	Insurance of the value of goods against damage to goods (loss or damage) beyond the existing insurance limit of 500 euro; Value added tax free according to § 4 UStG
Services for non-delivery, Return to Sender: (The sender does not affect the choice of the return path.)	Depending on country of destination country
<ul style="list-style-type: none"> - repatriation by the fastest route (air repatriation) - repatriation by the cheapest route (road repatriation) 	
Delivery to remote areas	List of the affected zip codes see www.dhl.de
Postal Delivered Duty Paid	The recipient receives the DHL Paket International in the destination country without separate payment of import duties: these (customs duties, import sales tax and fees) are paid in advance by Deutsche Post AG and subsequently settled with the sender afterwards.
Routing Code	Coding fee, if routing code is not available, incorrect or illegible.
Lorry Toll an CO ₂ surcharge	Separately from the parcel price for the applicable products a surcharge will be charged due to state levies with direct relation to our transport service. This concerns in particular the fee for the use of federal highways with heavy commercial vehicles in Germany (LKW Mautzuschlag) and the additional costs resulting from the federal government's CO ₂ pricing.
Non workable items	Manual Processing Surcharge for international return shipments caused by non-compliance to country-specific weight and dimension limits.
Peak surcharge	Surcharge additional to the parcel price, valid in the months of November and December, to ensure necessary investments in DHL's infrastructure.
International transport cost surcharge	Necessary surcharge due to recent pricing changes made by the airlines used by DHL Group.
